Hi Kate,

Given the new CDC information regarding 10 feet and frequent exposures totaling 15 minutes in 24 hours rather than 15 minutes of exposure, should we change the kitchenette area to 1 person at a time?

I hope that the face mask issue will clear up after the election. Deliberative/ Ex. 5 [discussion regarding Covid-19 guidelines]

Hello Marie,

Attached as word documents are R3 Agency counterproposals for your review and consideration.

I have retained the numbering convention from the Union's original proposals.

Sincerely,
